#### 1. The A6 Route. via Belper 33 miles.

Go south along the A6 and in 20 miles you go through **Bakewell** and come to **Matlock**. Stay on the A6 (which makes a right turn at the roundabout in the centre of Matlock) through Matlock Bath, and in about 10 miles you come to Belper.

Just as you get to **Belper**, go past an old factory on the right (called East Mill), and turn right at the traffic lights onto the A517 to Ashbourne.

Go under the factory bridge, over the river, take a sharp left, and up the hill. Stay on this road for just under 3 miles until you come to a set of traffic lights.

Turn left onto the B5023 towards Duffield.

If you come through **Belper** please follow the route above. **Please Don't** come down the hill from Hazelwood church. You will be faced with a very nasty "U" turn

#### 2. The Ashbourne Route. 30 miles.

Head south out of Buxton on the A515 (Ashbourne) road. Stay on this road for 20 miles.

You come into Ashbourne down a sharp hill, and the road makes a left turn at the bottom. 100 yards further on turn right at the "T" junction cum crossroads, and a quarter of a mile further on turn left at the traffic lights onto the A517 to Belper.

Leave **Ashbourne** heading east on the A517 to Belper.

Nine miles from Ashbourne (having passed through Hulland Ward) you will come to Turnditch (past the Tiger). Go down the hill (past the Cross Keys), and just after the 40mph limit you will come to a set of traffic lights at the junction with the B5023 at Cowers Lane, with the Railway pub opposite.

Turn right onto the B5023.

Stay on the B5023, over the railway bridge, and in just over a mile you will come to the first turning on the left posted Hazelwood, (opposite the Puss in Boots). Turn left into Nether Lane.

You go immediately over a small bridge, and then a larger one. On the left are three or four houses together, which you ignore. We are about 100 yards further on.

As you come round a gentle right hand bend, there on the left are the "Knowle Farm" and "Duck Pond View" signs in green, and the entrance to the CL is past the house on the left.

Call at the house, but if we are not in, go through the double gates and find a pitch.
