From the East

Head towards Nottingham, and leave on the A52 to Derby (this is junction 25 on the M1)

From the South

Head up the M1 to junction 25, the A52 Nottingham to Derby Road. Take this exit, turn left.

Follow the A52 to Derby. As you approach Derby, the road bends fairly sharply left, and you are almost immediately urged to get onto the ring road. Do **not** follow the signs for the outer ring road - go straight into the city centre.

As you get to the city centre, you arrive at a five way

roundabout with a flyover going in the opposite direction only. At this roundabout, get in the middle lane, and go straight over (the second exit) signposted for the city centre.

As you come off the roundabout, stay in the middle lane, take the right fork, and follow the road under the flyover, moving left one lane when you come out, in order to come off at the slip road. Start following the signs for the **A6 to Matlock and Duffield.**

Note:- if you get lost in Derby, follow any of the signs west, Matlock Ashbourne, Uttoxeter (at a pinch), Burton (if you have to), or the A38.

Following any of these signs you will eventually get to the A38. Go north towards the M1, and you eventually come to the A6 to Matlock.

Stay with the signs for the A6 and Matlock and as you leave Derby, you cross the A38 at a large roundabout - go straight over, staying on the A6 to Matlock and Duffield.

From the **Coventry Area**, you may prefer to come up the A38 to Derby. Keep on the A38 in Derby, pass the roundabout with an Esso garage and a McDonalds, and about a mile further on come off on the A6 towards Duffield and Matlock.

In a couple of miles you come to Duffield, and half a mile after the Duffield sign there is a set of traffic lights with a left turn, the B5023, signposted to Wirksworth, which you should take.

This takes you out of Duffield into the country, and just over a mile after you leave Duffield, you come to the Puss in Boots (set back from the road on your left), with a right turn opposite it signposted to

Hazelwood. Take the right turn.

You go immediately over a small bridge, and then a larger one. On the left are three or four houses together, which you ignore.

We are about 100 yards further on.

As you come round a gentle right hand bend, on the left are "Knowle Farm" and "Duck Pond View" signs in green, and the entrance to the CL is past the house on the left. Come in to the house to let us know you have arrived, or, if we are not there, go through the double gates and find a pitch.
